The City has learned that a vendor conducted its own tour of public areas of CCP separate from the scheduled tour without knowledge or permission from the City. The City will allow proposers and/or their vendors to conduct another optional tour of the public areas on Friday, April 30th from 11:00am – 12:00pm. This tour will only be of the areas that would normally be open to the general public, such as lobbies and elevators.
